

THE ANNUAL BENEFIT FOR ART IN ACTION

## Sponsorship Opportunities

Join us **March 23, 2017** at the iconic Computer History Museum in Mountain View for **OBJECT:ART**, an exciting event to benefit the thriving nonprofit Art in Action in its mission to bring art to children everywhere.

This one-of-a-kind cocktail party will feature a silent and a live auction with unique artwork and exclusive art-themed experiences, scrumptious food and an open bar. We will present the **third annual Art Visionary Award** to **Nathan Sawaya** – a contemporary artist working in LEGO® bricks, arts education advocate and founder of Art Revolution..

Sponsorship of this event will give your company significant visibility for its community and philanthropic support in Silicon Valley. Several months of promotional activity will lead up to the event, which will host 400 community, civic, and business leaders.

**We hope we can count on your support.**
